## Education

- Master of Library Science** 2015  
Indiana University, Bloomington, Indiana  
Digital Libraries Specialization
- Bachelor of Arts** 2008  
Emory University, Atlanta, Georgia  
Japanese and Comparative Literature
- Kyoto Consortium for Japanese Studies** 2007 - 2008  
Kyoto University, Kyoto, Japan

## Experience

- Graduate Assistant** September 2014 - June 2015  
*Digital Collections Services, Indiana University Libraries*
- Maintain and improve IU Libraries' electronic text projects. Collaborate with other library units to migrate legacy projects to appropriate homes that fit within the framework of services DCS offers.
  - Compile and analyze project statistics for use in assessment, development, and migration of legacy projects. Create user-facing documentation for digital project planning.
  - Design and build a new department website within the IU Libraries' Drupal framework. Perform other web design work as necessary.
- ILS Technology Consultant** January 2014 - June 2014  
*Department of Information and Library Science, Indiana University*
- Assist students and faculty with using technology equipment, troubleshoot user problems, and maintain the Information Commons space.
- Omeka Exhibit Intern** Summer 2014  
*Mathers Museum of World Cultures, Indiana University*
- Design and build an Omeka exhibit replicating the Museum's 2013 50th anniversary exhibit, Treasures of the Mathers Museum. Develop guidelines for future exhibits in consultation with museum staff and documented an exhibit creation workflow for future use. <http://www.siobhainrivera.com/portfolio/omeka-workflow/>
- Electronic Text Analyst** March - September 2014  
*Digital Collections Services, Indiana University Libraries*
- Migrate the Wright American Fiction Collection to TEI P5 guidelines. Encode text utilizing Text Encoding Initiative (TEI) Guidelines; analyze and transform texts using XSLT and XML-related technologies. <http://www.dlib.indiana.edu/collections/wright>
- Indexing Assistant** 2013 - 2014  
*Genealogy Library, Monroe County Historical Society*
- Index and digitize 19th century deed books for inclusion in Indiana's State Historic Records Advisory Board database. Position required paleography skills, attention to detail, and facility with spreadsheet software.
